

MODEL MENTOR

WHAT ARE WE?

We are a professional mentoring firm specialising in the modelling industry. Our mission is to assist and guide aspiring models in developing their careers by providing expert advice and support.

In addition, we facilitate the placement of our clients with leading talent management agencies, ensuring that they have the best opportunities to succeed in the industry.

ABOUT US

WHAT WE DO?

We specialise in training individuals in becoming successful professionals in the fashion modelling industry. We have established strong partnerships with the leading modelling agencies in the nation and are proud to be the pioneering mentorship program for aspiring models across India.

Our focus is on developing and nurturing the necessary skills and expertise required to thrive in a very competitive industry.

ABOUT US

WHAT WE FOCUS ON...

1. Appearance Makeover
2. Posing & Expression Walk
3. TVC Acting
4. Instagram Revamp
5. Hair & Makeup
6. Industry Glance
7. Model Book Shoot
8. Placements

ABOUT US

LOOK MAKEOVER

The process of a professional makeover involves industry experts and mentors working with a model to enhance their overall appearance through changes to their body, styling, and personal sense of style. This is intended to improve their style and elevate their look.

WALK

Sessions include training and perfecting models in various different types of walks:

1. Audition Walk
2. Fashion Week Walks
3. Choreography

POSING

Sessions cover explanation and demonstration of different types of poses and guiding models in how to pose effectively:

1. E-commerce
2. High Fashion
3. Editorial

ABOUT US

Sessions include insights about how to crack casting for TV Commercials.

Models are guided in numerous sectors like shooting audition videos, script analysis, character work and preparation.

TVC ACTING

ABOUT US

HAIR & MAKEUP

Enhancing your professional image through personal grooming. Acquiring skills in hair styling and makeup application can benefit your career by enabling you to present a polished and professional image during auditions, castings, meetings, and industry events,

By learning how to do your own hair and makeup, you can ensure that you look your best and make a positive impression in any professional setting.

ABOUT US

INDUSTRY GLANCE

By gaining insights into the workings of the modelling industry and developing a strong network, you can grasp the intricacies of the field and make yourself more efficient in surviving and succeeding in a very competitive industry.

ABOUT US

MODEL BOOK SHOOT

After practising and perfecting your posing, expressions, and runway walk, it's time for the MODEL BOOK SHOOT. During the shoot, you'll have the opportunity to apply the knowledge you've attained and skills you've developed in front of the camera. You'll be able to showcase your unique style and personality by posing and expressing yourself via visuals.
